Understanding the Amex Business Delta Reserve

The Amex Business Delta Reserve is a charge card that offers an extensive range of benefits for business travelers. It is primarily aimed at small business owners who are loyal to Delta Airlines and want to earn rewards on their travel purchases. The card requires good to excellent credit for approval and comes with a robust array of features designed to facilitate business travel.

One of the standout aspects of the Amex Business Delta Reserve is its ability to earn Delta SkyMiles, which can be redeemed for flights, upgrades, and other travel-related expenses. The cardholder also benefits from access to exclusive travel amenities that can significantly enhance the travel experience.

Key Features and Benefits

The Amex Business Delta Reserve card is packed with features that cater to frequent travelers. Key benefits include complimentary access to Delta Sky Club lounges, priority boarding, and the ability to earn Medallion Qualification Miles (MQMs), which help achieve elite status within the Delta SkyMiles program.

Complimentary Delta Sky Club Access

Cardholders can enjoy complimentary access to Delta Sky Club lounges when flying with Delta. This benefit is invaluable for business travelers, providing a quiet space to relax, work, and enjoy complimentary snacks and beverages before flights.

Priority Boarding

With priority boarding, cardholders can board the plane earlier, securing overhead bin space and settling in before the rest of the passengers. This feature is particularly beneficial for those with tight schedules or needing assistance with their luggage.

Rewards Structure

The rewards structure of the Amex Business Delta Reserve card is designed to maximize benefits for those who travel frequently. Cardholders earn Delta SkyMiles on every purchase, with bonus miles for specific categories.

Earn Miles on Purchases

Cardholders earn:

- 3 miles per dollar spent on Delta purchases.
- 1.5 miles per dollar on purchases of \$5,000 or more in a single transaction.
- 1 mile per dollar on all other eligible purchases.

Medallion Qualification Miles (MQMs)

In addition to regular miles, cardholders can earn MQMs, which are crucial for achieving Medallion Status within the Delta SkyMiles program. Cardholders

earn 15,000 MQMs after spending \$30,000 on purchases in a calendar year, up to 30,000 MQMs in a year.

Travel Perks

The Amex Business Delta Reserve card offers various travel-related perks that enhance the overall travel experience. These perks not only save time but also provide additional comforts during travel.

Free Checked Bags

Cardholders and up to eight companions on the same reservation can check their first bag for free on Delta flights. This benefit can lead to significant savings, especially for frequent travelers.

Global Entry or TSA PreCheck Fee Credit

The card provides a statement credit for the application fee for either Global Entry or TSA PreCheck, allowing travelers to expedite their airport security process and improve their overall travel experience.

Fees and Costs

While the Amex Business Delta Reserve card offers many benefits, it is essential to consider the associated fees. The annual fee for this card is higher than many other business cards, but the value of the perks may justify this cost for frequent travelers.

Annual Fee

The card comes with an annual fee of \$550. However, many cardholders find that the benefits, such as free checked bags, lounge access, and the ability to earn MQMs, can offset this fee for those who travel regularly with Delta.

Foreign Transaction Fees

Another crucial aspect to consider is that this card does not charge foreign transaction fees, making it an excellent option for business owners who travel internationally.
