History of Citizens Business Bank

Citizens Business Bank has a rich history that dates back to its founding. Established in 1974, the bank was created to meet the needs of local businesses in the Inland Empire region of California. Over the years, it has expanded its reach, including the significant branch in Bakersfield, which plays a vital role in serving the community.

The bank has built a reputation for financial strength and stability, consistently earning high ratings from independent rating agencies. Its growth trajectory has been marked by strategic acquisitions and a focus on providing exceptional service to its customers. The commitment to the local economy has made Citizens Business Bank a trusted partner for many individuals and businesses in Bakersfield and beyond.

Services Offered

Citizens Business Bank Bakersfield offers a comprehensive suite of financial services to

cater to the diverse needs of its customers. These services are designed to support both personal and business banking requirements, ensuring that all clients receive the financial assistance they need. The main categories of services include:

Personal Banking Services

The personal banking services provided by Citizens Business Bank include various account options, loans, and investment opportunities. The notable personal banking products consist of:

- Checking Accounts
- Savings Accounts
- Certificates of Deposit (CDs)
