Overview of Citizens Business Bank

Citizens Business Bank, headquartered in Ontario, California, has been a cornerstone financial institution in the Inland Empire region since its establishment. With a focus on serving the local community, the bank offers a diverse range of services designed to support both personal and business financial needs. The Chino branch plays a crucial role in this mission, providing dedicated service and localized financial solutions.

The bank prides itself on building lasting relationships with its customers by offering personalized service and tailored financial products. This approach has helped Citizens Business Bank establish a robust presence in Chino, CA, making it a trusted partner for banking needs.

Personal Banking Services

Citizens Business Bank offers a comprehensive suite of personal banking services aimed at helping individuals manage their finances effectively. These services are designed to cater to the diverse needs of customers, whether they are looking for basic checking accounts or more specialized financial products.

Checking and Savings Accounts

One of the foundational offerings of Citizens Business Bank is its range of checking and savings accounts. Customers can choose from various account types that provide different features suited to their lifestyle. Key features include:

- No monthly maintenance fees with certain account types
- Access to online and mobile banking for convenience
- ATM access across a broad network
- Interest-bearing accounts to help customers grow their savings

Loans and Credit Options

In addition to deposit accounts, Citizens Business Bank provides various loan products to help individuals achieve their financial goals. These include:

- Personal loans for unexpected expenses or planned purchases
- Home equity lines of credit, allowing homeowners to leverage their property value
- Auto loans with competitive rates and flexible terms

Business Banking Solutions

Understanding the unique challenges faced by local businesses, Citizens Business Bank offers tailored banking solutions designed to support growth and sustainability. The bank's commercial banking team is dedicated to providing personalized services that help businesses thrive.

Business Checking and Savings Accounts

For businesses, Citizens Business Bank provides various checking and savings accounts that offer features suitable for everyday business transactions. These accounts are designed to help businesses manage their cash flow efficiently.

Commercial Lending

Citizens Business Bank also specializes in commercial lending, offering financial solutions that meet the specific needs of businesses. Key lending options include:

- Term loans for long-term investments and expansions
- Lines of credit to manage working capital
- Real estate financing for commercial properties

Wealth Management Services

For those seeking to grow and protect their wealth, Citizens Business Bank offers comprehensive wealth management services. These services are designed to help clients plan for their financial futures through a personalized approach.

Investment Management

The bank's investment management services include portfolio management tailored to individual risk tolerances and financial goals. Clients can expect:

- Personalized investment strategies

- Access to a team of experienced financial advisors
- Regular performance reviews and adjustments

Retirement Planning
