History of Comerica Bank

Comerica Bank was founded in 1849 in Detroit, Michigan, originally as the Detroit Savings Fund Institute. Over the decades, it evolved through various mergers and acquisitions, expanding its footprint across the United States. In 1984, the bank officially adopted the name "Comerica," reflecting its growing national presence.

The move of Comerica's headquarters to Dallas in 2007 marked a significant turning point in its history, enabling the bank to tap into the vibrant economic landscape of Texas. This relocation was driven by a desire to access a more diverse market and to be closer to key business sectors that were thriving in the region.

Today, Comerica is known for its commitment to serving businesses of all sizes, from small startups to large corporations, providing them with tailored financial services that include commercial banking, treasury management, and investment services.
