Access Requirements

The Eurostar Business Premier Lounge is exclusively available to passengers traveling in Business Premier class. Understanding the access requirements is crucial for those wishing to enjoy the lounge's benefits. To enter the lounge, travelers must meet the following criteria:

Eligibility Criteria

Travelers must hold a valid Business Premier ticket for their Eurostar journey. This ticket can be purchased directly through the Eurostar website, at station ticket counters, or from authorized travel agents. Additionally, certain loyalty program members may gain access through membership levels or promotional offers.

Guest Policy

In general, the lounge access is limited to the ticket holder only. However, specific policies may allow one guest to accompany a Business Premier traveler, depending on the circumstances. It is advisable to check the latest regulations on guest access when planning your visit.

Amenities Offered

The Eurostar Business Premier Lounge provides a host of amenities designed to enhance the travel experience. These facilities cater to both relaxation and productivity, ensuring that travelers can prepare for their journey or unwind before boarding. The following are key features of the lounge:

- **Comfortable Seating:** The lounge is furnished with plush seating, including armchairs and sofas, providing a comfortable space to relax.
- **Complimentary Refreshments:** A selection of complimentary beverages and snacks are available, including coffee, tea, soft drinks, and a variety of light refreshments.
- **Wi-Fi Access:** High-speed Wi-Fi is provided, allowing guests to stay connected and work remotely if necessary.
- **Quiet Environment:** The lounge features a tranquil atmosphere, ideal for those looking to escape the hustle and bustle of the terminal.
- **Business Facilities:** Access to printing and charging stations is available, ensuring that business travelers can prepare for meetings on the go.
- **Exclusive Services:** Attentive staff are on hand to assist with travel inquiries and provide personalized service.

Tips for Utilizing the Lounge

Maximizing your experience at the Eurostar Business Premier Lounge can significantly enhance your travel. Here are some useful tips to consider:

Arrive Early

It is advisable to arrive at the lounge early, ideally at least 30 minutes prior to your train's departure. This allows ample time to enjoy the amenities and relax before boarding your train.

Explore the Refreshment Options

Take advantage of the complimentary refreshments available. The selection varies, so ensure to check out both the hot and cold options to fuel up before your journey.

Use the Business Facilities Wisely

If you need to conduct business, utilize the available Wi-Fi and printing services. This can save you time and ensure you are well-prepared for any meetings or engagements upon arrival.
