Overview of FedEx Kinko's Business Cards

FedEx Kinko's, known for its comprehensive printing solutions, provides a variety of business card options that cater to different professional needs. Their services are designed to accommodate individuals and businesses of all sizes, ensuring that every client can find a suitable solution for their branding needs. With a focus on quality and customization, FedEx Kinko's stands out in the competitive landscape of business card printing.

The business cards offered by FedEx Kinko's are not only visually appealing but also durable, making them ideal for frequent networking. Customers can choose from a variety of materials, finishes, and sizes, allowing for a personal touch that reflects their brand identity. This flexibility makes FedEx Kinko's a go-to option for anyone looking to create a memorable first impression.

Types of Business Cards Offered

FedEx Kinko's offers several types of business cards, each tailored to meet specific business needs. The options available include standard cards, premium cards, and eco-friendly options, ensuring that there is something for everyone. The following are the main types of

business cards available:

- **Standard Business Cards:** These cards are made from high-quality cardstock and come in a variety of finishes. They are suitable for everyday use and can be customized with logos and personal information.
- **Premium Business Cards:** For those looking to make a statement, premium cards offer thicker cardstock, unique finishes, and special design options that stand out during networking events.
- **Eco-Friendly Business Cards:** Environmentally conscious customers can opt for cards made from recycled materials, providing a sustainable choice without compromising on quality.

Designing Your Business Card

Designing an effective business card is crucial for creating a strong impression. The design process at FedEx Kinko's is user-friendly, offering various templates and tools to assist in creating the perfect card. Here are some key aspects to consider when designing your business card:

Choosing the Right Layout

The layout of your business card should reflect your brand's personality. FedEx Kinko's offers customizable templates that allow you to select a layout that suits your style. Consider whether you want a traditional layout or something more modern and visually striking.

Selecting Colors and Fonts

Colors and fonts play a significant role in the design of your business card. Choose colors that align with your brand identity and ensure that the font is readable. FedEx Kinko's provides a wide array of color options and font styles to help you create a cohesive look.

Incorporating Branding Elements

Including your logo and other branding elements is essential for brand recognition. Make sure to place your logo prominently on the card and use consistent branding across all your marketing materials. FedEx Kinko's allows for easy integration of logos into your card design.

Benefits of Using FedEx Kinko's Business Cards

Choosing FedEx Kinko's for your business card needs comes with numerous benefits. These advantages contribute to making them a preferred choice for many professionals:

- **High-Quality Printing:** FedEx Kinko's uses advanced printing technology, ensuring that your business cards have vibrant colors and sharp text.
- **Quick Turnaround:** With the ability to print and pick up your cards the same day, FedEx Kinko's is ideal for last-minute needs.
- **Wide Variety of Options:** From materials to finishes, the extensive range of options allows you to create a card that truly represents your business.
- **Professional Assistance:** The knowledgeable staff at FedEx Kinko's can provide recommendations and support throughout the design process.

How to Order Business Cards from FedEx Kinko's

Ordering business cards from FedEx Kinko's is a straightforward process. Here's a step-by-step guide to help you navigate the ordering process:

1. **Visit a FedEx Kinko's Location:** Locate your nearest FedEx Kinko's store for personalized service.
2. **Choose Your Card Type:** Decide on the type of business card that best fits your needs.
3. **Design Your Card:** Use the provided templates or work with a designer to create your custom card.
4. **Submit Your Order:** Review your design, finalize your order, and provide any necessary payment information.
5. **Pick Up or Receive Your Cards:** Choose to pick up your cards in-store or have them delivered to your address.

Best Practices for Using Business Cards

To maximize the effectiveness of your business cards, consider implementing the following best practices:

- **Always Carry Cards:** Ensure you have business cards on hand at all times for networking opportunities.
- **Personalize Your Approach:** When handing out cards, make a personal connection and briefly explain what you do.
- **Organize Your Contacts:** Keep a dedicated space for received business cards to

maintain organized networking.

- **Follow Up:** Use the contact information from business cards to follow up with new connections, reinforcing your professional relationship.

Conclusion

FedEx Kinko's business cards offer a powerful way to enhance your professional image and facilitate networking opportunities. With a variety of options available, including standard, premium, and eco-friendly cards, you can easily find a solution that fits your business style. The ease of design and ordering, combined with the high-quality printing services, make FedEx Kinko's a top choice for individuals and businesses alike. By following best practices in business card usage, you can leverage these tools to create meaningful connections and promote your brand effectively.

Q: What types of materials are used for FedEx Kinko's business cards?

A: FedEx Kinko's offers business cards made from various materials, including standard cardstock, premium thick cardstock, and eco-friendly recycled materials. Each material option provides different durability and aesthetic appeal.

Q: Can I design my business card online with FedEx Kinko's?

A: Yes, FedEx Kinko's provides an online design tool that allows users to create their business cards using customizable templates. Users can select layouts, colors, and fonts to match their branding.

Q: How long does it take to get business cards from FedEx Kinko's?

A: FedEx Kinko's typically offers same-day printing services for business cards, allowing customers to receive their cards quickly. However, turnaround times may vary based on order volume and specific requests.

Q: Are there any quantity discounts for ordering business cards?

A: Yes, FedEx Kinko's often provides quantity discounts for bulk orders of business cards. The more cards you order, the lower the price per card may become.

Q: What should I include on my business card?

A: Essential information to include on your business card includes your name, job title, company name, contact information (phone number, email, website), and a logo if applicable. Consider adding a tagline to summarize your business succinctly.

Q: Can I get custom shapes or sizes for my business cards?

A: FedEx Kinko's primarily offers standard business card sizes, but they may have options for custom shapes and sizes upon request. It is advisable to consult with the staff for specific custom requests.

Q: Is it possible to add a QR code to my business card?

A: Yes, you can easily include a QR code on your business card. FedEx Kinko's design tools allow you to upload or create a QR code that links to your website or digital portfolio.

Q: What design software does FedEx Kinko's use for business cards?

A: FedEx Kinko's uses professional-grade design software in conjunction with their online design tools to ensure high-quality printing results. Their system allows for precise design adjustments and high-resolution outputs.

Q: Can I see a proof of my business card before printing?

A: Yes, FedEx Kinko's typically provides a proof of your business card design before final printing. This allows you to review and make any necessary adjustments to ensure accuracy.

Q: Are there any design guidelines I should follow when creating my business card?

A: Yes, it is recommended to maintain a clean layout, use legible fonts, and ensure sufficient contrast between text and background. Additionally, leaving space for cutting is important to avoid compromising important information.
