These amenities ensure that guests have a comfortable and productive environment during their stay.

Meeting and Conference Facilities

iris the business hotel offers versatile meeting rooms and conference spaces equipped with the latest technology. These facilities include:

- Audio-visual equipment
- Video conferencing capabilities
- Flexible seating arrangements
- On-site technical support

With the ability to host a variety of events, from small meetings to large conferences, the hotel is well-suited for all corporate needs.

Location and Accessibility

One of the key advantages of iris the business hotel is its prime location. Situated in a bustling business district, the hotel provides easy access to major corporate offices, financial institutions, and government buildings.

Proximity to Transportation

The hotel is conveniently located near public transportation options,

including:

- Subway stations
- Bus terminals
- Major highways
- Railway stations

This accessibility makes it easy for guests to navigate the city and reach their destinations efficiently.

Nearby Attractions

In addition to its business-friendly location, iris the business hotel is also close to several attractions that guests can explore during their downtime. Popular nearby sites include:

- Local museums
- Parks and recreational areas
- Shopping districts
- Cultural landmarks

This combination of business accessibility and leisure options makes the hotel an attractive choice for travelers.

Dining Options

Dining at iris the business hotel is designed to cater to the tastes and preferences of busy professionals. The hotel features several dining options that serve a variety of cuisines.

On-Site Restaurants

The hotel's main restaurant offers a diverse menu that includes:

- Continental breakfast options
- International lunch and dinner selections
- Healthy snacks and beverages

Guests can enjoy meals in a stylish setting, perfect for informal meetings or relaxing after a long day.

Room Service

For those who prefer dining in the comfort of their own rooms, iris the business hotel provides an efficient room service option. Guests can order from the full menu and have their meals delivered at their convenience.

Business Services

iris the business hotel understands the importance of providing comprehensive business services to ensure guests remain productive during their stay. The hotel offers a range of services tailored to meet the needs of corporate travelers.

Business Center

The business center is equipped with computers, printers, and office supplies, allowing guests to conduct their work efficiently. Services available include:
