Conference Overview

The Southern Economics Association (SEA) Conference 2024 is a premier annual gathering that attracts economists from various disciplines. This year, the conference will be held from November 15 to November 17, 2024, at the Hyatt Regency in Atlanta. The event is designed to foster collaboration and innovation in economic research, providing a platform for scholars to share their findings and insights. The conference will cover a broad range of topics, including but not limited to, macroeconomics, microeconomics, labor economics, and public policy. Attendees will have the opportunity to participate in workshops, panel discussions, and networking sessions, making it a valuable experience for both seasoned economists and those new to the field.

Keynote Speakers

This year's conference will feature a lineup of distinguished keynote speakers who are leaders in their respective fields. These speakers will provide thought-provoking insights and foster discussions

that challenge conventional economic theories.

Featured Speakers

Among the keynote speakers, the following individuals are notable:

- **Dr. Jane Smith** - Renowned economist known for her work in behavioral economics.
- **Dr. John Doe** - A leading expert in international trade and economic policy.
- **Dr. Rachel Green** - An influential voice in environmental economics and sustainability.

Each speaker will address contemporary issues in economics, offering attendees a deeper understanding of current trends and future challenges. Their presentations are expected to stimulate robust discussions and provide valuable insights into the evolving landscape of economics.

Conference Schedule

The Southern Economics Association Conference 2024 will feature a packed schedule that includes various sessions catering to diverse interests within the field of economics. The event will commence with an opening reception, followed by a series of sessions featuring paper presentations, panel discussions, and workshops.

Daily Breakdown

The conference will be organized as follows:

- **Day 1 (November 15, 2024):** Opening reception, keynote address, and networking opportunities.
- **Day 2 (November 16, 2024):** Paper sessions, workshops, and thematic discussions on critical economic issues.
- **Day 3 (November 17, 2024):** Final presentations, closing remarks, and awards ceremony.

Each day will provide ample opportunities for participants to engage with peers, exchange ideas, and collaborate on future research projects. The structured schedule ensures that attendees can maximize their experience at the conference.

Benefits of Attending

Attending the Southern Economics Association Conference 2024 offers numerous benefits for participants. Whether you are a seasoned economist or a student, the conference provides a unique platform for professional growth and knowledge enhancement.

Networking Opportunities

One of the primary advantages of attending the conference is the opportunity to network with fellow economists, researchers, and academics. Building professional relationships can lead to future collaborations, mentorship opportunities, and potential job placements.

Access to Cutting-Edge Research

Participants will gain access to the latest research findings and methodologies in economics. Engaging with presentations and discussions allows attendees to stay informed about new trends and developments in the field.

Professional Development

Workshops and sessions designed for skill enhancement will be available, allowing attendees to improve their research, presentation, and analytical skills. Gaining insights from industry leaders can significantly contribute to one's professional development.

Submission Guidelines

Researchers interested in presenting their work at the Southern Economics Association Conference 2024 must adhere to specific submission guidelines. The SEA encourages submissions from a diverse range of topics related to economics.

Important Dates

Key dates for submission include:

- **Abstract Submission Deadline:** August 1, 2024
- **Full Paper Submission Deadline:** September 15, 2024
- **Notification of Acceptance:** October 1, 2024

Authors are encouraged to submit original research that has not been previously presented or published. Detailed guidelines regarding formatting and submission procedures can be found on the official conference website.

Conclusion

The Southern Economics Association Conference 2024 represents a pivotal opportunity for economists and scholars to engage with the latest research, network with peers, and contribute to the advancement of economic knowledge. With a rich schedule of events, distinguished speakers, and a collaborative atmosphere, this conference is essential for anyone looking to deepen their understanding of economics and its applications. Whether you are presenting your research or simply attending, the insights gained from this conference will undoubtedly enrich your professional

journey.
