Determine the Format

Before you start gathering images, decide on the format of your quiz. Will it be a multiple-choice quiz, where participants select answers from provided options? Or perhaps an open-ended quiz, where they must write down their answers? The format you choose will influence the types of questions you create.

Gather Images

- Which Christmas tradition is depicted here?
- What festive food is shown in the picture?

Be sure to mix up the difficulty levels to keep the quiz challenging yet accessible.
